HOME is a cinematic, GM-less roleplaying and mapmaking game that combines the excitement of *Pacific Rim* and *Godzilla* with map-based storytelling.

Highlights:

Beginner friendly

A GM-less worldbuilding TTRPG about finding a new planet to call home.

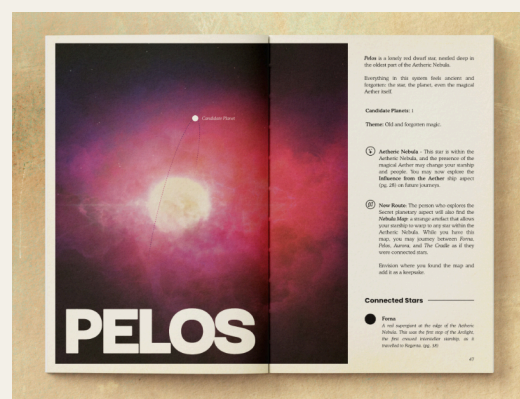

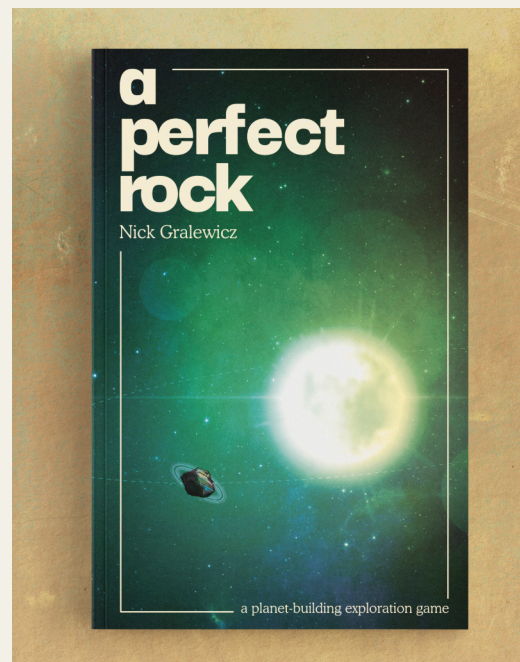

A *Perfect Rock* is a roleplaying game of cosmic exploration and discovery. Following the destruction of your home world, players take on the role of survivors aboard the last starship, searching the galaxy for a new planet to call home.

Highlights:

- **Tactile gameplay:** Encourages the use of real rocks, creating a one-of-a-kind gameplay experience.
